**Calling all CAS artisans and
writers!**

CAS has opened an online store for our artists and writers. We advertise your creations/books on the website with a reminder in constant contacts. Your contact information would be listed with the items for sale. Anyone who chose to purchase an item would contact you directly and make the purchase. On a monthly basis we would ask you to donate 25% of your proceeds to CAS and CAS in turn will donate to People's Pantry. We are hoping people will purchase for Chanukah and beyond to support our artisan community. The store will remain open as long as you feel it is worthwhile to continue selling. If you are interested in participating please contact me: Sandra Flannery, smflann@ix.netcom.com.

Our marketplace is open!

Berkshire Bounty Mobile Food Drive
Tuesday, December 1st.

We will again be collecting canned and/or packaged goods to be delivered to People's Pantry in Great Barrington to help the growing population of food insecure people in South County. The last food drive resulted in over 2800 pounds of donated food going to People's Pantry, Otis Food Pantry and South Congregational Church. We're hoping for an even larger response this time.

As you may recall from prior food drives Berkshire Bounty volunteer Drivers go to Donors' homes to pick up canned and/or packaged goods left by Donors on their doorstep. Food Donors may also drop their food donations at Hevreh of Southern Berkshire or at the People's Pantry. We ask you to consider; a) donating canned or packaged food; b) driving to pick up donations at food donors' homes and/or, c) helping unload from driver's cars as they deliver food to the People's Pantry on the day of the Mobile Food Drive. If you are interested in participating, please email Berkshire Bounty at info@berkshire-bounty.org and to tell us what you would like to do. Please include your street address, email address and best contact telephone number.

To Food Donors:

Foods in demand are hearty soups, tomato sauce and cereal. Please check the dating on your products.

Please pass this information to your friends and neighbors, who might want to contribute as well.

CAS Creative Arts Workshop: The Digital Darkroom

Prior to this zoom workshop, each participant will submit a group of his or her's own photographs that will form the basis of an exploration using a number of image-editing software programs. Traditional techniques such as cropping, dodging and burning, contrast adjustments, color modification and other approaches will be demonstrated. Creating

montages and adding and manipulating type to create cards and posters will also be explored. A minimum donation of \$10 is requested to support our Creative Arts programs. (Please email arthurhillman@roadrunner.com by Sunday, December 6 to reserve a place and to submit your photographs.
